APPLICATION FOR TUITION SUPPORT

SUMMER 2009

There is a limited amount of money available for students who need to register for up to three (3) credits in a summer session lecture course or up to one (1) credit in an independent study course. Any zero (0) credit courses (e.g., language requirements) do not require approval.

Graduate students are not required to register for credit in the summer session in order to have access to University facilities and services, as long as they are enrolled for the spring term and plan to return in the fall. However, students who plan on graduating in August must register for at least one (1) credit hour in the summer session. Also, some students will need to register for one or more credits to meet student loan requirements. **Tuition will not be approved for PhD-seeking students whose sole intent is to obtain a Master's degree in August.**

Applicants must be full-time students who are eligible for Graduate School funding. Eligibility criteria include a graduate GPA of 3.0 or higher, an approved dissertation proposal if enrolled for more than eight semesters, and graduate enrollment less than 16 semesters.

Support will consist of a maximum of $1,092 for three credit hours. The summer session General Fee ($50) is the responsibility of the student.

Registration will begin on March 18, 2009. Contact the Office of the Registrar for further summer registration information.

If this application for tuition support is disapproved, it is the responsibility of the student to pay the tuition or drop the course.
